The Presentation of

Excitement builds as the Trojan team runs onto the field. The cheerleaders lead the students in a favorite cheer and, accordingly, the students respond with the usual shouts and chants. But this is not just any football game — Why? Seated on a platform at the outskirts of the playing field are eight beautiful, but very nervous young ladies. They are the Trojan Homecoming Court. At halftime the teams leave the field. The lights are shining brightly and the crowd is unbelievably silent because the court is ready to be presented. Each maid is escorted slowly to the opposite side of the field, after she is introduced. Next the maid of honor — and finally, the queen. The applause is deafening. Then, as quickly as it began, it ends. But, the memory of it will live forever.

The Anticipation of

We wait . . . we wonder . . . we guess . . . but no one really knows the answer. The riddle was finally solved when the 1971-72 Basketball Court was presented to the student body. Each maid was escorted by a basketball player and as she was given a rose, all eyes were upon her. When the queen was escorted through the gymnasium and given a dozen roses, the crowd gave a standing ovation. As the game began, the completion of another ASH tradition is now a memory.

This has been the most successful year that Alexandria Senior High has experienced. The reason for this success has been the willingness of students to assume leadership in all phases of school life. We have witnessed the emergance of a new pride in our student body. We are no longer working as individuals, instead, we are working as a team to make ours a better school community.

Let us never forget that a difficult task becomes easy when we pull together.

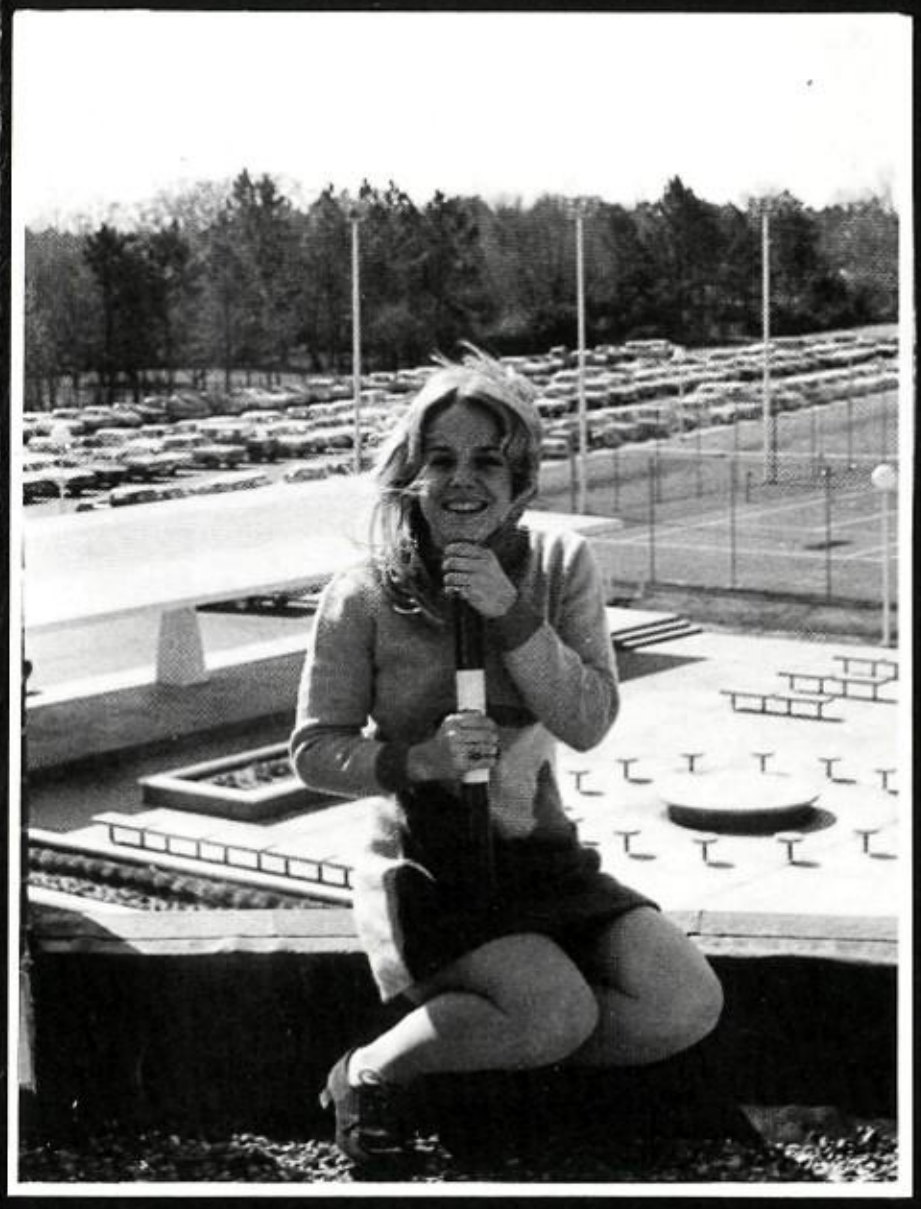
1972 Who's Who

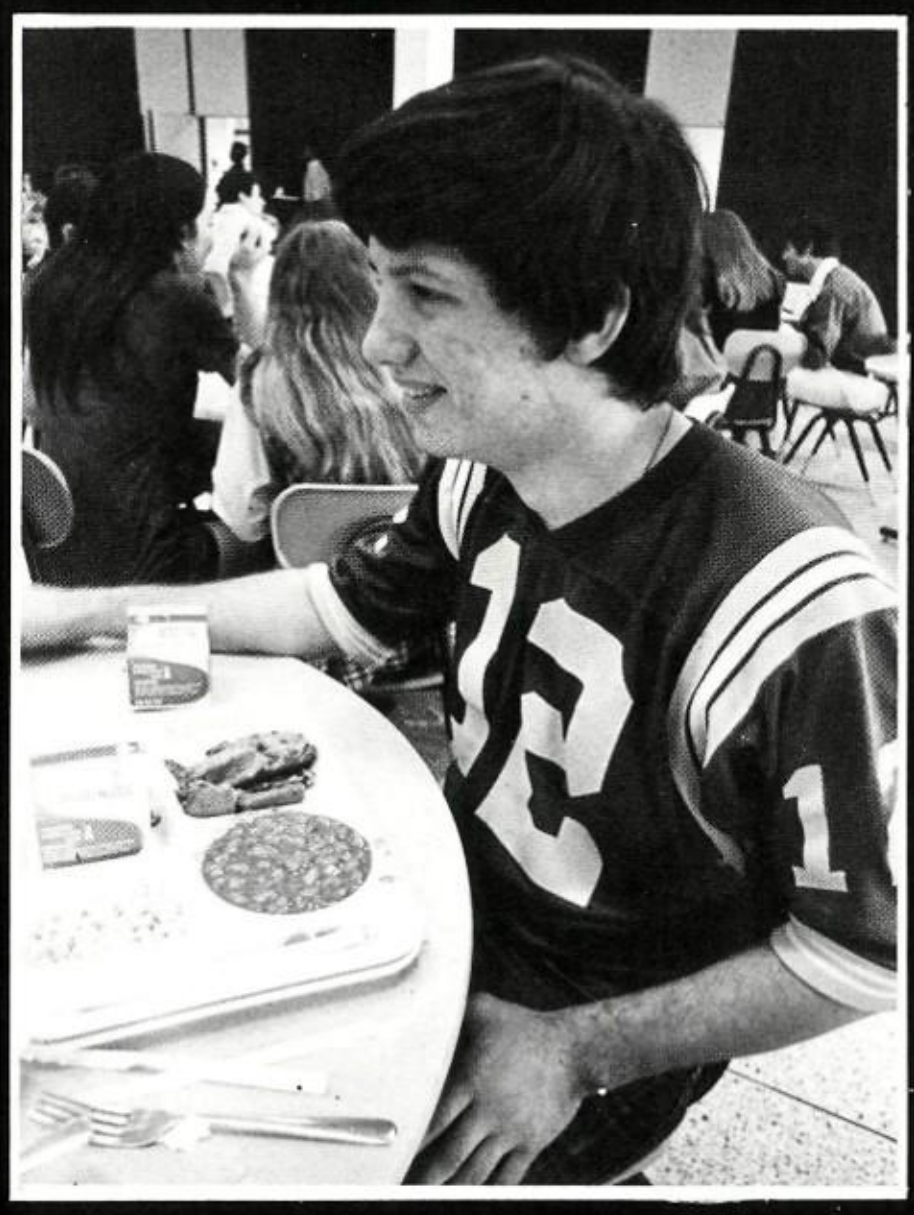
The goals are in sight and long journeys begin. Striving hard, the voyagers slowly make their ways upward. They encounter many hardships and setbacks along the way. Many discontinue their journey, but the rest go on, overcoming finally the everyday trials and tribulations. At last, they can reach out and touch their star of achievement. These are the people that make up our 1971-72 Who's Who.

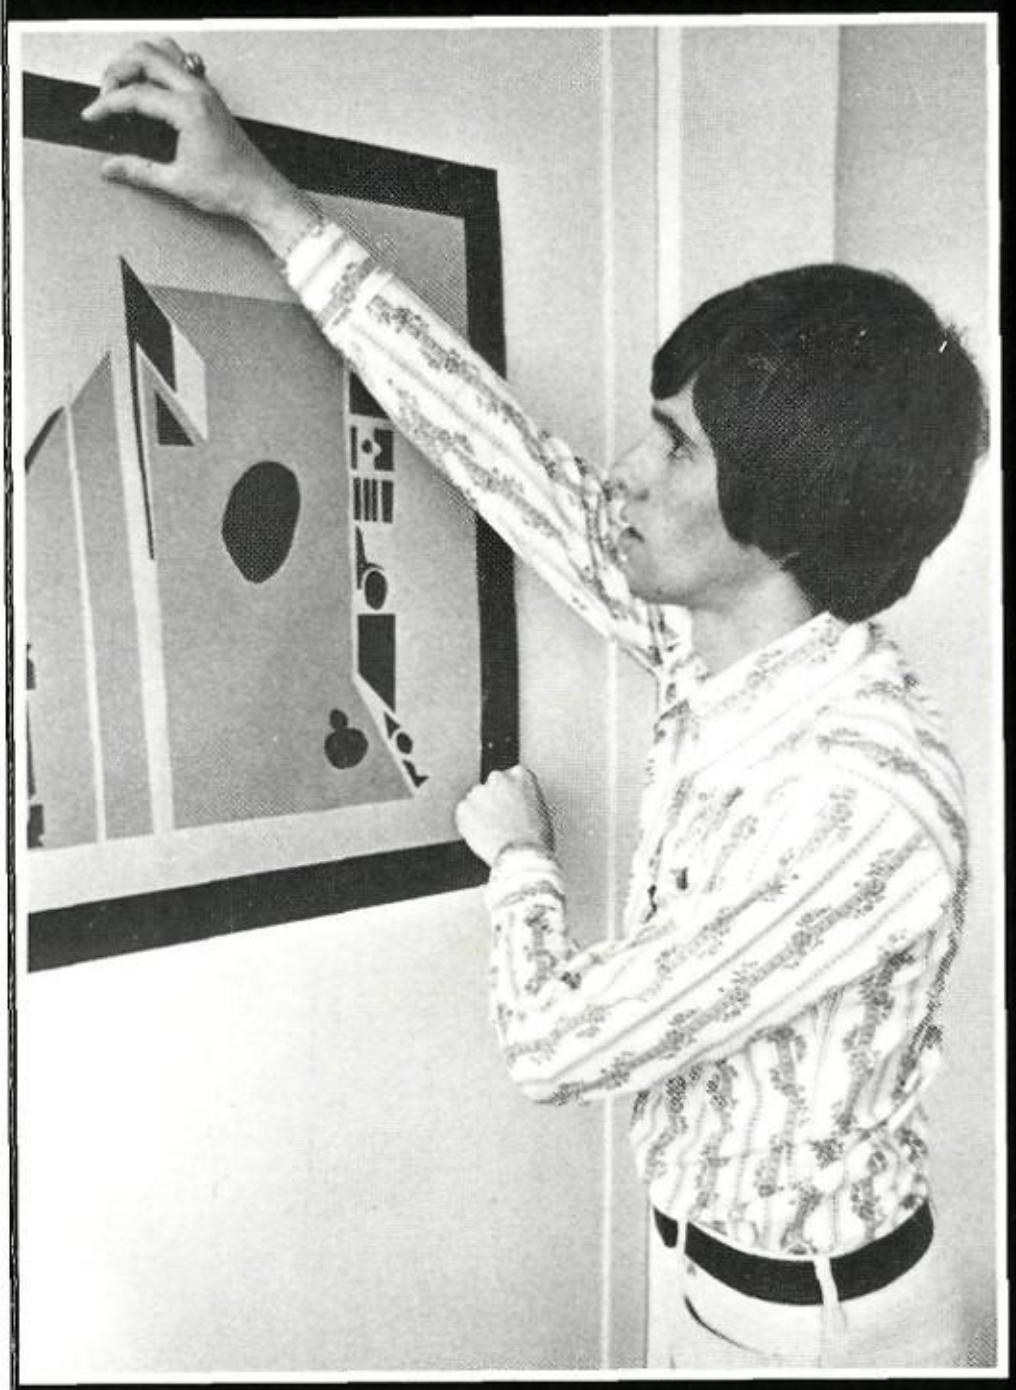
Editor-in-Chief of the Epic, Dick Gremillion has worked very hard this year. He serves as Troyan Charger and was chosen "Most Dependable" Senior Boy. Dick is also a member of the Key Club.

School Spirit is always on the mind of head cheerleader, Charlot Miller. She was chosen as "Most School Spirited" by her classmates and has been a member of the gymnastics team for three years.

Sports and the name, Tom Wilkinson, go hand-in-hand. A three year varsity basketball player and a member of the Fellowship of Christian Athletes are just a few of his achievements.







One of the outstanding seniors chosen to Who's Who is Jean Anne Campbell. She has served the student body as a member of the Epic Staff and her Junior Class as secretary. Jean Anne has been a member of Concert Choir, and Alexandrians. She was the recipient of the Pat-On-the-Back award and was a maid on the Homecoming Court.

Hard working Mitzi Sparks served as Editor of the Scroll for two years and is presently the Junior Class editor of the Epic. She was chosen as "Best All Round" Senior Girl, and was the recipient of the DAR Award. Mitzi was a delegate to Pel State and is serving as accompanist for the Choral Music department.

Mary Paul has proven her leadership ability serving as President of Troyans. She was a maid on the Homecoming Court and serves as Epic Index editor. Selected "Most Dependable" Senior Girl, Mary is an active member of Concert Choir and GRA.

Larry Hall, a delegate to Pel State, is also the recipient of the "Pat-on-the-Back" award. Chosen as "Most Courteous" senior boy, Larry serves as band lieutenant and is a member of the Key Club.

Kim Gaspard, a great to our football team, has been a member of our varsity football team for three years. He is an active member of the Interact Club and Spanish Club.

Mike Erwin, Mr. ASH, has played varsity basketball for three years. During his junior year, he was chosen class favorite and during his senior year, he was chosen as "Best All Round" Senior boy.

Dianne Dearman truly deserves the honor of Who's Who. She has been a member of the Epic Staff for three years, now serving as faculty editor. She was elected "Most Courteous" Senior Girl and is a member of GRA.

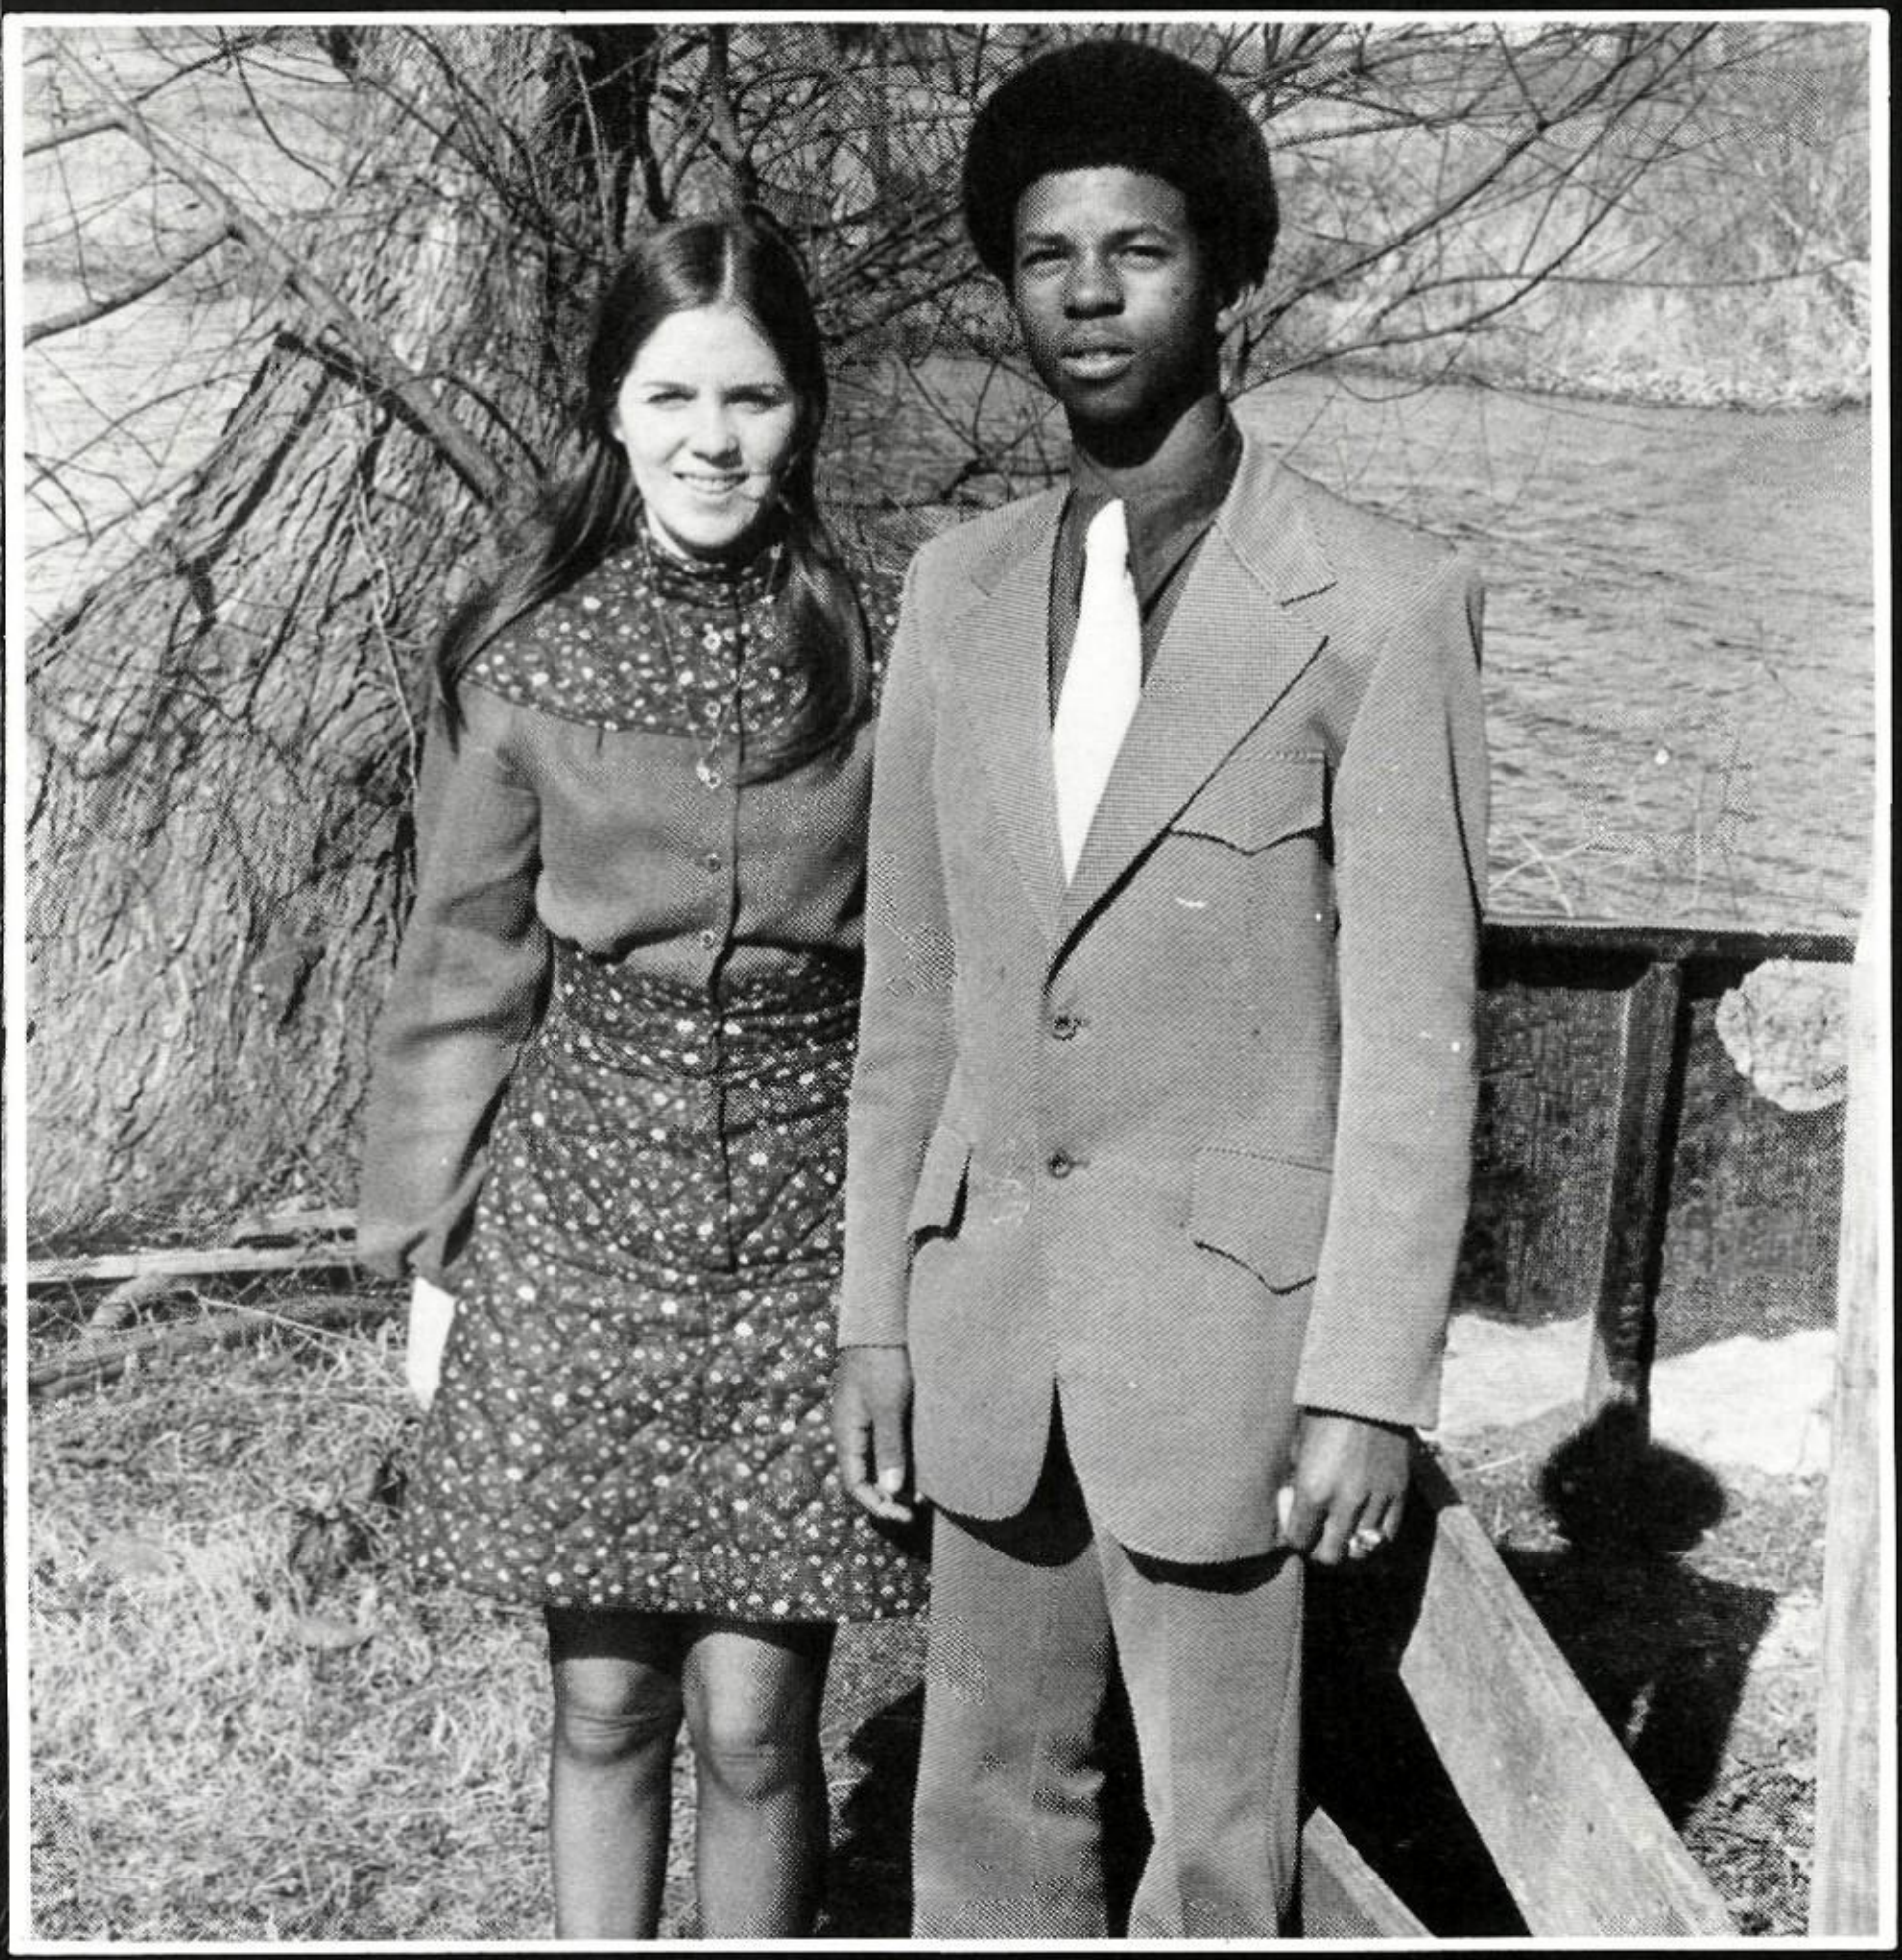
Leadership and Outstanding Character

Leadership, scholastic achievement, outstanding character and co-operation are the basic requirements for selection to Pelican State, a mythical state created each June on the L.S.U. campus. Representing ASH last year at Boys' State were Larry Hall, Crawford Magee, Tommy Cooper, and John O'Shee. Girl delegates were Mitzi Sparks, Debbie Kennington, Jill George, and Beth McBride. They learn much about the inner part of our country, America and its government.

LEFT TO RIGHT: Larry Hall, Mitzi Sparks, Beth McBride, Jill George, Debby Kennington, John O'Shee.



Jean Anne Campbell and Larry Hall Pat-on-the Back Recipients

Each year the Optimist Club presents an award to a senior boy and girl who have been active in various activities at their school. The faculty choses the most outstanding Seniors. This year, Larry Hall and Jean Anne Campbell were the recipients of this coveted award.

In this year of change, the EPIC staff, made up of twenty-five very talented ASH students, thought that the EPIC was in need of change. The format used is a radical departure from the normal. But, in order to grow and improve, a change is often necessary. We only hope that we have brought to you your school as you see it. We have tried to incorporate everyone into our book — not just the "doers." So, in closing, we hope that we have covered all phases of school life, for this has been our purpose.

Dick Gremillion
